SCOPE AND CONTENT

The material of the Witkin Gallery collection was a gift to the Center in 1985. The collection does not contain material that documents Lee Witkin's childhood or later personal life; neither are the

financial records of the gallery included. Materials in the collection have been divided into three series:

Series One: Lee D. Witkin Personal Files. This consists of biographical material, teaching records, photographs, artifacts and awards of a personal nature.

Series Two: Lee D. Witkin Activity Files. The material documents various activities Lee Witkin was engaged in during the time he operated the Witkin Gallery, 1969-1984. It includes book trade files, audio / visual materials, photographs, 35mm slides, a postcard collection, and clippings from periodicals.

Series Three: Witkin Gallery Files. The bulk of the collection falls into this category. Of note are the artist files which consist of correspondence, clippings, photographs and memorabilia that Lee Witkin collected about the artists represented in his gallery. Also included are publications from the gallery, checklists, posters and miscellaneous gallery records.
